RCIA — Rite of Christian Initiation of Adults — Journey of those seeking Jesus in the Catholic Church — Meets Monday at 7 pm in the Parish Ministry Center

During Lent we ask that an atmosphere of prayerful silence be maintained before and after our liturgies. We will be singing the familiar Latin chant mass, and this season we will be adding the Lord's Prayer in Latin. This expansion of the use of Latin during Mass allows us to pray in the same language of our fellow Catholics throughout the world, and is expressly recommended in the General Instruction of the Roman Missal:

“Since the faithful from different countries come together ever more frequently, it is desirable that they know how to sing together at least some parts of the Ordinary of the Mass in Latin, especially the Profession of Faith and the Lord’s Prayer, according to the simpler settings.”

- Chapter 2, No. 41

ITEMS FOR THE EASTER VIGIL FIRE

A large basket has been placed in the narthex for the collection of old palm branches and other old, broken, or unwanted religious items. Items collected will be burned in the Easter Vigil fire or buried with the ashes. As a reminder, there is a drawer in the narthex cabinet for the collection of small unwanted religious items that is available all year.

PRESENTATION OF OFFERTORY GIFTS

Parishioners are encouraged to participate in the presentation of offertory gifts at Weekend Masses. Please check in with the ushers ten minutes before the Mass if you would like to present the gifts.

Holy Week

Today we celebrate Passion (Palm) Sunday, commemorating Jesus' entry into Jerusalem. Then:

Monday-Tuesday-Wednesday, April 15-17

- 8:30 a.m. Mass at St. Malachy
- 9:30 a.m. Mass at St. Mary Help of Christians
- 5:30 p.m. Confessions & Adoration at Holy Trinity
- 6:30 p.m. Mass at Holy Trinity

Holy Thursday, April 21

- 7:00 p.m.: Mass of the Lord's Supper at St. Malachy (Bus pick-up from St. John of God c. 6:30 p.m.)
The Easter Triduum begins with this Mass commemorating the Lord's institution of the sacraments of the Eucharist and Holy Orders. I've asked Fr. Ruffalo to celebrate this Mass in a traditional manner. This will include the priest facing the altar from the same side as the people, signifying that both the ordained priesthood and the baptismal priesthood together exist to serve Jesus Christ, present in the Blessed Sacrament.
- After Mass: Seven Church Pilgrimage (Bus departs from St. Malachy lot)
Dcn. Len Thomas and others will lead a bus tour of seven local churches, stopping to adore the Lord in the Blessed Sacrament at each site.
- Until 11:00: Adoration of the Blessed Sacrament at Holy Trinity, St. Mary Help of Christians, and St. Malachy Churches

Good Friday, April 22: Paschal fast & abstinence

- (St. Malachy Parish Fish Fry – Limited Menu & Hours)
- 9:00 a.m. Street procession of the Cross beginning at St. Mary Help of Christians, walking to 1st Baptist Church, McKees Rocks
- 1:30 p.m. Liturgy of the Passion and Death of the Lord at St. Mary Help of Christians
(Bus departs from Holy Trinity lot at 12:45 p.m.)
On Good Friday, the only day of the year without a Mass, the Cross is adored as an image of Jesus, Savior of the World.
- 7:00 p.m. Stations of the Cross at St. Malachy
- 8:00 p.m. Tenebrae Service at Holy Trinity

Holy Saturday, April 23: Paschal fast & abstinence as far as possible until 8:30

Holy Saturday marks the Lord's bodily rest in the tomb, while his soul descended to the "Purgatory of the Patriarchs" to free souls who, from the time of Adam, waited for salvation from God.

- 11:00 a.m. Confessions at St. Malachy
- 12:00 noon: Blessing of Easter foods at St. Malachy
- 8:30 p.m.: Easter Vigil at Holy Trinity
This once-a-year Mass includes the blessing of the year's Paschal Candle, representing the Lord's resurrection, and the Sacraments of Baptism and Confirmation as administered to adults. There will be no other Masses on Holy Saturday.

Easter Sunday, April 24

Masses follow the usual Sunday schedule. *The Easter Triduum concludes with Easter Sunday Masses. Through the entire Easter season, we celebrate the bodily resurrection of Jesus.*

ON MISSION FOR THE CHURCH ALIVE

Blessed Is He Who Comes in the Name of the Lord – Today we celebrate the triumphal entry of Jesus into Jerusalem. The crowds waved palm and olive branches as Jesus rode into the city on a colt. They welcomed him as royalty, so moved were their hearts in faith and trust of God. Yet, while Christ's procession into the city is a moment of joy, the joy is fleeting as the coming days lead to the passion and death of Jesus. The central mysteries of our faith that we celebrate this week highlight for us the lengths to which God will go out of love for us. It is appropriate to ask ourselves, then, what lengths will we go to for God. As we journey *On Mission for The Church Alive!* it is not just our parishes that we should hope to be transformed. We should also hope that our hearts and transformed in love and service of God and others. How are we called to be ambassadors of Christ, coming in his name to share the life and light of God with everyone we meet? *On Mission* invites us to be representatives of Christ before others that they may know his loving work in the world today. Visit onmissionchurchalive.org to learn more and to stay informed.

Classroom Highlights-8th grade visits Covestro

The 8th grade had the opportunity to visit Covestro's Research and Development facilities in Robinson to see first-hand how scientists create the products we use. Students toured the polyurethanes laboratory to understand the research done on the manufacture of chemical components that create the foam used in furniture, pillows, shoe soles, water heater insulation, and soccer and bowling balls. Students also visited the coatings, adhesives, and specialties research laboratory that works to develop and supply substances to make products more durable and attractive. As part of testing, the students observed weather simulating machines in action. In the polycarbonates research facility, students watched molding machines that are used to design plastic materials as glass substitutes, making parts more lightweight and energy efficient.

Students also participated in a panel discussion with several employees who work in various groups within Covestro. Panelists included scientists from the research and development team (Sarah Boes, Stephen Hoskins, and Marie Urick) as well as a representative from their procurement group (Micah Caporali.) The panelists had varying years of experience allowing students to see the different levels at which research occurs. The experts shared their knowledge and best practices for choosing a career path and enhancing key skills as they move through their high school and college experiences.

Kate Mickle and Tyler Gaffney had the opportunity to experiment with some hands-on science. Their task was to insert a wooden skewer through an inflated balloon without causing the balloon to pop. Both used some basic physics principles to achieve success.

Covestro's Corporate Social Responsibility team, located in their North American headquarters in Robinson, sponsors the opportunity through their STEM initiatives. We are grateful to have such a wonderful partner in our community! Special thanks to Ben Renwick who facilitated our site visit.

On one such visit, at age 15, she had a healing in Medjugorje that also left a deep longing for God and the deep desire to help others encounter His love. Ann went through discernment and uprooting to follow God's Will for her. She left her career for full time ministry and is a pilgrimage guide and interpreter. She speaks extensively at retreats and conferences about faith and spirituality. Cost of the breakfast is \$23.
